

Metropolis Country Club **Summer Intern**

Metropolis Country Club
289 Dobbs Ferry Road
White Plains
NY, 10607

About Metropolis: The course was designed and built in 1922 by renowned British Architect Herbert Strong. The course has undergone many renovations throughout its history and has included work by A.W. Tillinghast and more recently Pete Dye. Metropolis Country Club has just appointed Forse Design to begin a large scale restoration project. The club will begin building and renovating tee complexes this Spring and are in the planning stages of a full course bunker renovation. The club is currently looking to recruit Turf Managers to the staff who will be able to play a key role in the latest master plan renovations. The successful candidates will become highly skilled in a range of techniques from water management, fertilizer and pesticide applications through to communication and crew management.
